

DISTRICT CONFERENCE D 2305 2012 – RI-PRESIDENT’S REPRESENTATIVE

Dr. Vera M.E. Kerremans, PDG District 1590, Netherlands

I have a long history in Rotary: a year as an ambassadorial scholar in 1974, in Caen, France, since the early nineties a member of RC Groningen Belcampo. I was president of the international Committee of my club, and from 2009-2010 I served as District Governor in D 1590. In 2011 Rotary International asked me to become Training Leader, in San Diego, where all DGE's from around the world get together for their preparation.

I worked in Higher Education, at universities and professional training institutes, as a professor in reading, writing and presentation skills, and teaching the teachers.

At present I am a member of the community council. My interests are painting, classical music and golf.
