

TERMS AND CONDITIONS FOR ROTARY DISASTER RESPONSE GRANTS

The Rotary Foundation (TRF) may modify the terms and conditions of the grant at any time. Updates can be found at rotary.org/grants or requested from [Rotary grants staff](#).

I. WHAT ARE ROTARY DISASTER RESPONSE GRANTS?

Rotary disaster response grants support relief and recovery efforts in areas that have been affected by natural disasters within the past six months. Grants are awarded to districts located in the affected area only. Grant funds can be used to provide basic items such as water, food, medicine, and clothing. Districts are responsible for identifying the needs in the communities affected and determining how funding could best meet their needs. The district will have the authority to distribute the funds it receives from TRF and is required to report on the use of funds spent on relief and recovery projects.

II. ELIGIBILITY GUIDELINES

All Foundation grant activities must:

1. Relate to the mission of The Rotary Foundation
2. Include the active participation of Rotarians
3. Exclude any liability to The Rotary Foundation or Rotary International beyond the funding amount of the grant
4. Adhere to the governing laws of the United States and the host area of the grant, and harm no individuals or entities. Sponsors of projects in and travel planned to countries sanctioned by the Office of Foreign Assets Control (OFAC) of the United States Department of Treasury may need to supply additional information.
5. Be reviewed and approved by TRF before their implementation. Grants may not be used to reimburse clubs or districts for activities and expenses already completed or in progress. Planning for grant activities prior to approval is encouraged, but expenses may not be incurred. After grant approval, any changes to the original project plan must be pre-approved by TRF.
6. Demonstrate sensitivity to the host area's tradition and culture
7. Comply with the Conflict of Interest Policy for Program Participants as outlined in section 30.040. of [The Rotary Foundation Code of Policies](#).
8. Comply with the Rotary International policies for use of the name "Rotary" or other Rotary

Marks, as outlined in sections 34.040.6. and 34.040.11. of the [Rotary Code of Policies](#).

9. Include [signage](#) on, or in conjunction with, projects that identifies the role of the grant sponsors and The Rotary Foundation as outlined in section 40.010.2. of [The Rotary Foundation Code of Policies](#) and in accordance with Rotary's [Voice and Visual Identity Guidelines](#).
10. Follow Rotary's Privacy Statement for Personal Data stated in section 26.080. of the [Rotary Code of Policies](#). Grant applications and reports should not include beneficiaries' personal data (name, age or date of birth, or other identifying information) or images of the beneficiary unless (a) it is requested by TRF and (b) written consent of the beneficiary (or their parent or legal guardian) is provided. If such personal data is inappropriately included, it may cause delays in the grant process while TRF ensures compliance with [Rotary's Privacy Policy](#).

In addition, Rotary disaster response grants may:

1. Allocate up to 3 percent of the grant award for grant-related administrative expenses such as bank fees, postage, software, and an independent financial assessment
2. Allocate up to 20 percent of the grant award for contingencies, but all projects and activities added to the grant after it has been approved must then be approved by TRF before funds may be spent.

Each health care professional who will provide services as part of the grant activities are expected to have a minimum of US\$500,000 in professional liability insurance coverage (a.k.a. errors and omissions liability). This refers to coverage for that participant's legal liability that could arise from their professional acts or omissions that cause harm to others. The participant is responsible for obtaining and paying for this coverage.

III. RESTRICTIONS

Grants cannot be used to unfairly discriminate against any group, promote a particular political or religious viewpoint, support purely religious functions, support activities that involve abortion or that are undertaken solely for sex determination, fund the purchase of arms or ammunition, or serve as a new contribution to the Foundation or another Rotary Foundation grant.

 - b. Show that a copy of the progress report filed electronically with TRF has been submitted to the South Asia Office
 - c. Include a utilization certificate if a portion of the grant amount has been used, along with statement of receipt and payment for the grant amount, certified by an independent chartered accountant (indicating membership number of the CA)
 - d. If the grant funds were not used for any reason, include an original bank statement or bank passbook (or a photocopy certified by the bank manager or a chartered accountant) indicating the date on which the grant amount was credited and a statement explaining why the grant amount has not yet been used, even if the grant amount was received before March.

2. Head of the Department of Social Welfare and Development, stamped with office seal
3. Head of the Department of Health, stamped with office seal
